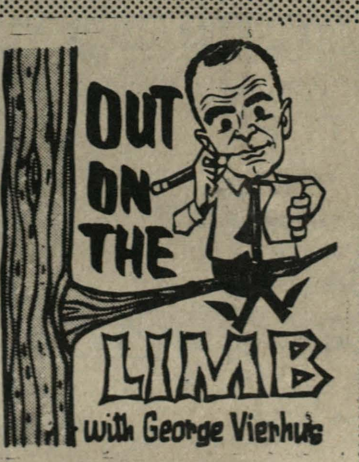
SCHOOL BOARD
MEETS
THURSDAY, OCT. 22



AS WE HAVE TOLD YOU before, this column is sort of a catch-all.

We can use it (and do) as an escape valve or a sounding board or just a depository for notes that we have jotted down from time to time.

For example, there is nothing so important (or as highly emotional) in this community at the present time than the situation that exists in the Campbell Union (elementary) School District.

Obviously an entire column (and then some) could be devoted to it.

There are, however, some fairly basic reasons why we feel that we should touch on other subjects this week.

One reason would be that less serious (and less emotional) topics provide a needed respite from the mounting pressures involved in the sticky school situation.

Another reason, of course, is that we do have an accumulation of notes of one type or another that need to be used or they will become useless.

These notes, of course, cover all sorts of action and inaction.

But our scrawls become almost undecipherable when they are cold.

So if they are not developed when readable posterity will be deprived of those little gems.

And we wouldn't want that to happen to good ol' posterity.

-0-

AS AN OLD NEWSPAPER pro, we know these highly emotional issues that involve a community probably should be taken in stride by us.

But we never do.

Over the years that we have been newspapering we have seen many of these emotional-charged issues, such as the one that now involves the school district, come and go.

Many have left scars that are never erased.

While others sort of become vague memories that are recalled only when one digs into the files.

One of the "fringe benefits" (and we use the term loosely) of operating a community newspaper is that the paper generally becomes the focal point in these intra community squabbles.

So your editor becomes involved whether he wants to or not.

And, admittedly, most of the time your editor wants to.

Or had you noticed?

-0-

ONE OF OUR NOTES, with an historical connotation, reveals (after a search of the files) that Judy Ruscigno's motion of some weeks ago to remove Richard MacQuiddy as board president was not unprecedented as far as the local school district is concerned.

'Way back in 1958, the local school district, when Bill Henley was superintendent, was involved in another bitter hassle.

That time it was over the elimination of eighth grade graduation ceremonies.

Prior to 1958, grammar school graduation ceremonies were held with all the trappings that go with such affairs.

The district decided to forego them.

And, brother, did that blow up a storm!

Mass meetings were held by irate parents and the superintendent and board were charged with all sorts of offenses, real and imaginary.

But the district stood firm and now 12 years later that hassle is only a vague memory.

Our files reveal that as a climax to the squabble, the board president at that time, Norm Stoner, was removed as president by a vote of his fellow trustees.

That action occurred on May 29, 1958.

(Continued on Page 2)

Demotion of superintendent sets off recall action against two Campbell school board members

Trustees vote 3-2 to remove Neal Royer as superintendent

Without warning or explanation, Neal Royer, superintendent of the Campbell Union (elementary) School District since 1964 was demoted to principal last Thursday night by a 3-2 vote of the trustees.

The motion was made by Richard M. MacQuiddy, board president, at the regular meeting of the trustees which had been moved to the Castlemont School from the board room to accommodate the more than 300 people who jammed the school's multi-purpose room.

MacQuiddy's motion, made without any advance warning, demoted Royer to principal of Forest Hills School and promoted Jim D'Avis, assistant superintendent, to acting superintendent.

Fred Peterson, principal at Forest Hills, was moved into the district office as administrative assistant.

The changes in administrators went into effect this week.

Royer has been superintendent of the district since 1964 and has three years to go on a four-year contract of approximately $30,000 per year, that was given him after his first four years as school chief. His salary will continue at the same level in his new position.

He has been with the district since 1948 when he was hired as a teacher. Subsequently he served as vice-principal, and principal.

He was named assistant superintendent to Bill Henley, former superintendent, in 1956 and was appointed to the top district job in 1964 when Henley retired.

MacQuiddy's Motion

MacQuiddy made the motion, which was supported by Trustees Eleanor Graham-Armstrong and Ralph Steinberg, just as he finished his "defense" of the charges made against him in a letter from Trustee Judy Ruscigno at the Sept. 24 meeting.

At that meeting after presenting letters, the contents of which were not divulged, to each board member present, Mrs. Ruscigno moved that MacQuiddy remove himself as board president to be succeeded by the vice-president because the confidence in MacQuiddy's leadership had been destroyed.

Trustee Jim Gilliland voted with Mrs. Ruscigno for the motion with Mrs. Graham-Armstrong and MacQuiddy opposing. Steinberg was absent. Thus the motion failed to pass.

On Thursday, after reading the letter of Mrs. Ruscigno which specified he acted rashly and impulsively; that he was unable to conduct meetings properly, and that his actions had done irreparable harm to the district, MacQuiddy claimed the charges were unfounded.

He then said he had no other recourse and made the motion to demote Royer. Steinberg seconded the motion.

Gilliland submitted that it was a matter for executive session.

Mrs. Ruscigno maintained that the motion was a fulfillment of the prediction in her letter of MacQuiddy being rash and impulsive and said that this "hatchet committee" action was not reflecting the community's interest.

Her motion to table the motion lost by a 3-2 vote with the same alignment of MacQuiddy, Mrs. Graham-Armstrong and Steinberg opposing.

MacQuiddy after the vote immediately called a recess. The sharply divided crowd in the hall erupted into a furor.

After the recess, Norm Paul, vice-president of the Campbell Chamber of Commerce and a member of the Campbell Planning Commis-

Two school trustees face recall action

Recall proceedings have been initiated against Mrs. Eleanor Graham-Armstrong and Ralph J. Steinberg, members of the board of trustees of the Campbell Union (elementary) School District, as a result of a meeting of interested citizens on Friday night.

Although the recall movement stemmed from the 3-2 board vote on Thursday night which demoted Superintendent Neal Royer, the main issue raised by leaders is that the board with its present makeup has become ineffective and the public has lost confidence in it.

Richard H. MacQuiddy, board president, who made the motion demoting Royer and which was supported by Mrs. Graham-Armstrong and Steinberg, is not subject to recall because his term expires within six months.

Mrs. Graham-Armstrong, of 1500 Hack Ave., was appointed to the board of trustees in Sept., 1959, more than 11 years ago.

She was reelected in 1961, 1965 and again in 1969.

Steinberg, of 144 Rosemary Lane, a San Jose attorney, was elected to the board in April, 1969.

Jaycees seek City Council okay for three more entrance signs

Campbell's City Council, which met last night, Tuesday (after press time) will meet again next Tuesday, Oct. 20.

A request by the Campbell JayCees for Council approval of three more entrance signs, similar to the one already in place, highlights the agenda for next Tuesday's meeting.

Designed, constructed and installed by the JayCees, the first sign on W. Hamilton was approved after a lengthy discussion by the Council, necessitating several modifications.

The JayCees wish to locate similar entrance signs at (1) the east side of San Tomas Expressway near Los Gatos Creek; (2) on the east side of Winchester near Division and (3) on the north side of Hamilton near Breuner's.

The Council next Tuesday is also expected to act on the bids received for three new Dodge patrol cars that are to be purchased through the State offices. The cars will cost approximately $3000 each.

The Council is also expected to discuss the purchase of carpets and drapes for the new city hall and also the acquisition of communication equipment for the police department.

Committee plans tree planting along xpressway

An invitation has been issued to residents of the greater Campbell area, high school age to senior citizens, to participate in a tree-planting day on Oct. 24 sponsored by the Campbell Beautification Committee.

Mrs. Jeanette Watson, committee chairman, has reported that a plant-in has been scheduled to take place along the east side of San Tomas Expressway from Budd Ave. to Williams Rd. on Saturday, Oct. 24, beginning at 8:45 a.m.

Approximately 500 trees are scheduled to be planted in a joint effort of the county public works department and the beautification committee. Volunteers are requested to meet at the expressway and Hamilton Ave. the morning of the project, shovels in hand.

WAFFLE BREAKFAST

Kiwanis Club of Campbell is sponsoring a waffle breakfast at Campbell High School cafeteria on Sunday, Oct. 25 from 8 a.m. to 1:30 p.m.

Citizens group takes steps to remove trustees by vote

A determined group of irate citizens, representing a cross-section of the Campbell Union (elementary) School District, including a number of teachers, on Friday night overwhelmingly voted to institute recall proceedings immediately against Trustees Eleanor Graham-Armstrong and Ralph Steinberg.

A 10-member steering committee was elected by the group on Friday to outline the mechanics of the recall proceedings, and to determine the specific charges. The committee will then report to interested citizens at another mass meeting within two weeks.

W. DALE HUME
–heads committee

The committee, meeting after adjournment, named W. Dale Hume, of 463 Queens Ct., as chairman. The group met again on Monday night.

Other members of the steering committee are: The Rev. W. H. (Ben) Gould; Don Nadell, 3408 Cadillac Dr.; Don Hosford, 1462 Lexington Dr.; Mrs. Judy Christensen, 1119 Ginger Lane; Mrs. Bette Stewart, 229 El Caminito; Mrs. Betty Piper, 1849 Pollard Rd.; Mrs. Joy Tober, 21 Alice; Don Mesquita, 2284 Montezuma.

Swiftly moving into action, following the surprise demotion of Superintendent Neal Royer by a 3-2 vote of the trustees last Thursday night, more than 85 citizens crowded into the board room at West Valley College to determine the course of action to take against the three trustees who voted for Royer's demotion.

Mrs. Graham-Armstrong and Steinberg voted for the motion made by Richard H. MacQuiddy, board president, which demoted Royer without giving any reasons for the action.

MacQuiddy, it was pointed out by Bob Bullard, acting chairman of the recall meeting, is protected from recall proceedings under the law because his term expires within six months. It was indicated at the meeting that MacQuiddy will face determined opposition at that time if he seeks reelection.

Although those present at the meeting on Friday expressed vigorous opposition to the manner in which the superintendent was demoted without reason or explanation, the main purpose of the meeting was expressed by Norm Paul, active in organizing the recall movement.

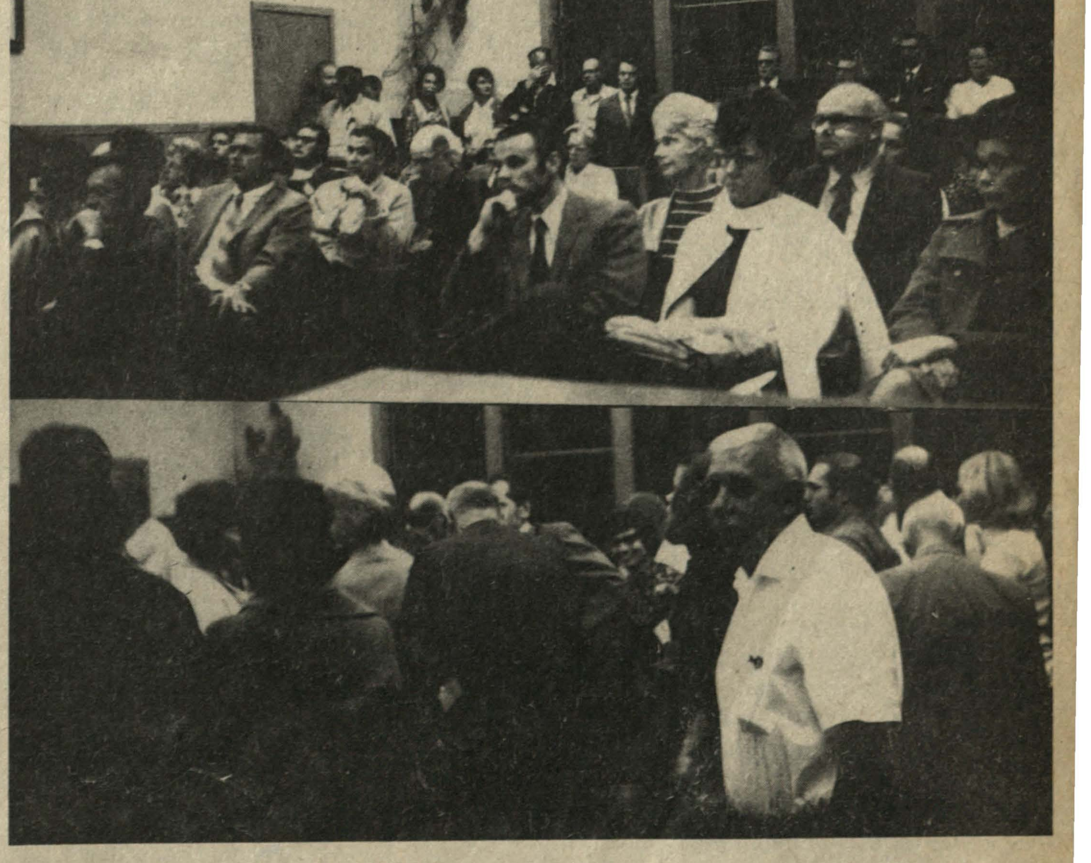
Paul said that the record clearly showed that the board, as it presently exists, has failed to meet its obligations to the people. He added that at present any appeal by the taxpayers to the board is a sham.

He mentioned that the citizens finance committee had pointed out in its report that the district was in poor financial shape basically because of bad business mismanagement and had recommended the removal of the district's business manager.

The majority of the trustees, he added, had chosen to ignore this report and instead had in retribution removed the superintendent instead.

Paul emphasized that the recall charges should specify that the board had proved ineffective and that the public

(Continued on Page 2)



Residents voice opinions at Planning Commission

Although next Monday's, (Oct. 19), meeting of the Planning Commission is not expected to attract the throng (above photo) that was present when the proposed rezoning of the Amato property was on the agenda, plans for a 72-unit apartment complex between Darryl and Marathon are expected to draw some fire from the citizenry.

Revised plans have been submitted by Royal Development Co. for the complex located behind Fry's Market off Hamilton. The commissioners indicated the first time around that the elevations should be made more attractive.

The plans are being submitted under the "overlay" zoning procedure of the city which requires a public hearing at the City Council level after Planning Commission action, which does not require a hearing.

However, the Commission has posted notices and will also hold a hearing on the

(Continued on Page Six)

Voter deadline

Thursday, Oct. 15 (tomorrow) is the last day to register to vote in order to be eligible for the Dec. 8 referendum election, according to City Clerk Dorothy Trevethan. Residents may register at any fire station in the county or at the office of the registrar of voters.

Editorial

Confidence is lost

It has now become fairly obvious, even to the most uninformed citizen of the Campbell Union (elementary) School District, that as long as the present composition of the board of trustees of the district remains there will be no resolving of the district's problems.

And resolving of these problems is of such paramount importance that the district faces chaos, or worse, unless the situation is rectified.

Therefore, we are in complete accord with the movement that is now under way through recall action by which certain members of the board would be removed and replaced by conscientitious citizens who will work together for the benefit of the district as a whole.

We believe that Richard MacQuiddy, Ralph Steinberg and Eleanor Graham-Armstrong by their actions, as well as by their inaction on certain vital issues, have indicated an unwillingness to face up to the basic problems and have allowed their personal feelings and animosities to dominate their activities as board members.

The method by which Neal Royer, superintendent of the district since 1964 and a district employee since 1948, was demoted last Thursday night is merely one act by the three trustees that illustrates beyond any doubt that the three board members have no thought of the district's welfare.

By their public hatchet job at the meeting they indicated that their only concern was a personal vendetta that they had been nursing for a long time and they wanted to "get even".

We hold that such action by members of the board entrusted with the responsibility of directing the affairs of the district is totally reprehensible.

This one act made in a public meeting without giving reasons for the act or allowing a "cooling off period" so that the public could be made aware of the ramifications involved clearly showed to us that the three trustees merely wanted to satisfy their own egos and were not considering the impact it would make on the district.

But, aside from the inexcusable action in the demotion incident, the fact remains that the three trustees have failed to recognize the plight of the district from a fiscal point of view covering a long period of time.

A citizens committee has indicated that many of the financial problems of the district are attributable to the mismanagement of the business manager of the district, C. E. Bradley.

The committee, therefore, has recommended that the business manager be dismissed.

So the three trustees then demoted the superintendent!

That's like a doctor amputating the wrong leg on the operating table.

It is tragic that the board of trustees have allowed the situation to get so completely out of hand that the district is now placed in the unenviable position of being split wide open.

The real issues that face the district are now being overshadowed by personal feelings and emotions.

Before the problems can ever be resolved the citizens will undergo a traumatic emotional experience that could do irreparable harm to the educational program which affects the youngsters.

But we feel that some of the actions of the three trustees have clearly showed that they are seeking a reprisal against one of their own members and they have allowed that feeling to color all their actions.

Operating a school district within the poor financial climate that is the case in the Campbell Union (elementary) District is a difficult enough task without allowing the board room to be a scene of personal animosities.

That is why we maintain that under the circumstances it is absolutely necessary to make a change in personnel on the board so that the trustees can again get back on the track and begin to function as they should for the benefit of the district as a whole.

While we concede that there will be differences in opinion among board members on many occasions, as there will be in any legislative body, we submit that these differences must not be allowed to affect or impair the overall responsibility of a governing body.

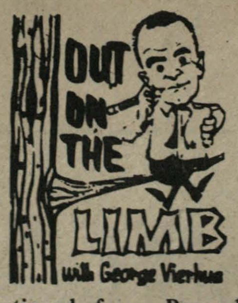
Honest differences that can be expressed vigorously based on a sound foundation is healthy.

But when these differences become so personal in nature that they affect the proper functioning of a body, then it is unhealthy and steps must be taken to effect a cure as in any disease.

The cure in the case of the school district as in any illness is the removal of the cause.

That is why we suggest the recall of the three trustees.

MORE ABOUT



(Continued from Page 1)

-0-

THERE ARE A COUPLE of other notes that pertain to the current school district situation that we think should be included here before we pick up less controversial subjects:

"A SWIFT GAVEL AND SHARP KNIFE"....

In our opinion, that was one of the classic quotes at that board meeting when MacQuiddy made his motion without any explanation to demote Neal Royer and which was approved by Eleanor Graham-Armstrong and Ralph Steinberg.

Norm Paul, vice-president of the Chamber of Commerce, a member of the Planning Commission and a long-time and respected businessman and resident of Campbell, eloquently described MacQuiddy's actions with that quote.

MacQuiddy cut Paul off at the mike when Norm attempted to announce the recall meeting that would be held the next night.

But MacQuiddy was not able to bang the gavel soon enough when the Rev. Ben Gould was recognized. Ben was able to announce the meeting.

"YOU HAVE EXERCISED YOUR PRIVILEGE IN A LEGAL BUT NOT IN A MORAL MANNER" was Ben's opening statement.

We thought that sort of wrapped up the whole bit.

-0-

BIKE ENTHUSIASTS, and there are a lot of 'em around, are working hard for the establishment of bike trails in the valley. They maintain that these bike trails will help promote clean air and physical fitness.

The bike people are trying hard to enlist the aid of various official bodies and they are making headway, we are pleased to report.

One of the strong supporters for more and scenic trails is Mrs. Edith Morley, chairman of Campbell's Parks and Recreation Commission.

Edith has worked strenuously over the years for the development of the Los Gatos Creek area from Campbell all the way to Vasona.

Her efforts are finally bearing fruit, inasmuch as the agencies involved, Campbell, the county, flood control and Los Gatos, have expressed a willingness to develop the creek area into a recreational area on a joint basis.

Hiking and bike trails will be an important part to any recreational development along the creek.

Mrs. Morley, our notes reveal, is still a strong booster of adequate trails for the bicyclists, despite a rather traumatic confrontation she recently had on a sidewalk with a youthful bicylist.

If anything, Edith, as a result of her experience, may be an even stronger booster for bike trails than she was before.

For sure, we betcha, she wants the bikes off the sidewalk.

-0-

A LITTLE GIRL ON A bike came tearing out of a parking lot on Second St. on a recent Saturday morning and ran into Edith on the sidewalk in front of the home, incidentally, of City Clerk Dorothy Trevethan.

The Parks and Recreation Commission chairman was knocked down and suffered bruises and a punctured leg, necessitating a trip to the doctor.

But, as we said, fortunately the incident has not lessened Mrs. Morley's enthusiasm for bike trails.

But she may, of course, have some reservations about some of the riders on the two-wheel jobs.

A reservation, one might say, that is based on personal contact.

-0-

CITY ATTORNEY JOE Bonacina, who recently returned from a short vacation trip to Europe, reported at a City Council meeting that in a sort of indirect manner he had kept in touch with municipal affairs, European style.

Joe, informed the Council, that he attended a wedding ceremony conducted in one town by the mayor who was a distant relative of his and in another municipality another distant relative was on the police force.

What's that old saw about a mailman going for a hike on his vacation?

Auto accidents include hit-run of pedestrains

A Sunday morning accident at Bascom and Hamilton Aves. injured three Campbell residents according to Campbell police.

A white pickup truck driven by Ray Bonsall, 1433 Patio Dr., was struck as Bonsall attempted a left turn from Bascom onto Hamilton. Driver of the other vehicle, also a truck, was Robert Pena of Morgan Hill. A third vehicle was driven by May Elizabeth Donovan of Campbell who was not injured. Bonsall and his two children, Lisa and Leslie, were treated for injuries.

Another Sunday morning accident occurred at Fulton and Campbell Aves. Bob Roy McCauley, 775 Jean Dr. No. A, driving a pickup, was hit in the rear by a car driven by Frances Bernice Hughes, 4647 Alex Dr., San Jose. Mrs. McCauley was reported injured in the accident.

A 17' outboard boat was knocked from its trailer in a two-car accident at Grant and First St. last week. David Rhodes Merlin, 930 Central Ave. was pulling the boat trailer with his station wagon on First St. when Frederick Koester, 470 S. 11th, San Jose, driving east on Grant, collided with his vehicle. No injuries were reported.

Campbell Police are still seeking information on a hit-run accident which occurred on Campbell Ave. at Foote St. on Tuesday, Oct. 6. The victims, Carolyn Janie Erchinger, 24, 117 Gilman No. 18, who was carrying her two week old son, Lee John, and with her two year-old daughter, Elizabeth Janis, was walking in the crosswalk, according to witness. The hit-run vehicle was described as a late 1950 or early 1960 model, four door, two-tone sedan, carrying passengers. The two year-old was reported in serious condition at Valley Medical Center.

Michael Scdoris, manager of Leatherique, Inc., 190 PruneYard, reported the theft of a box of leather coats which apparently were taken during "moving in" operations at his new shop, Monday. Value of the coats was set at $206.25.

AGENTS QUALIFY

Six area agents have qualified as members of the 1970 Star Club of New York Life Insurance Company.

They are Thomas W. Barbour, Alton LaPlante, John K. Mantle, John D. Newton, Dennis Mitome and Raymond Rodoni.

The Star Club is comprised of New York Life's outstanding agents.

MORE ABOUT

Recall

(Continued from Page 1)

had lost confidence in it.

The Rev. Gould while agreeing with Paul's presentation, added that there was also the moral issue involved in the board's action.

He received a tremendous hand from the crowd when he said, "If this is moral," Rev. Gould said, "I want no part of it."

Bullard, a certified public accountant with offices in Campbell and president of the Campbell Chamber of Commerce, explained that he was chairing the meeting merely as a courtesy and that he was not even a resident of the community.

He added, however, that he had been called in, along with a number of other CPA's as a consultant to the citizens finance committee and said that he "was shocked by what he saw in the financial report".

He then called upon Ken Burmeister, chairman of the citizens finance committee, to summarize the comprehensive report the committee has submitted to the trustees and which was deferred by the board president to the Oct. 22 meeting.

Burmeister explained that the preliminary report that had been filed with the board was "drastic enough" to get board action but the trustees had chosen to ignore it.

The preliminary report, he said, indicated that the business manager by miscalculations and other mistakes had placed the district in a financial dilemma.

There was no excuse, he emphasized, for the board to have ignored the mistakes that were uncovered by the committee.

In conclusion, Burmeister again pointed out, that the committee, because of the errors that had been made, had recommended the dismissal of C. E. Bradley, the business manager.

"And the board responded," he noted, "by relieving Royer instead.

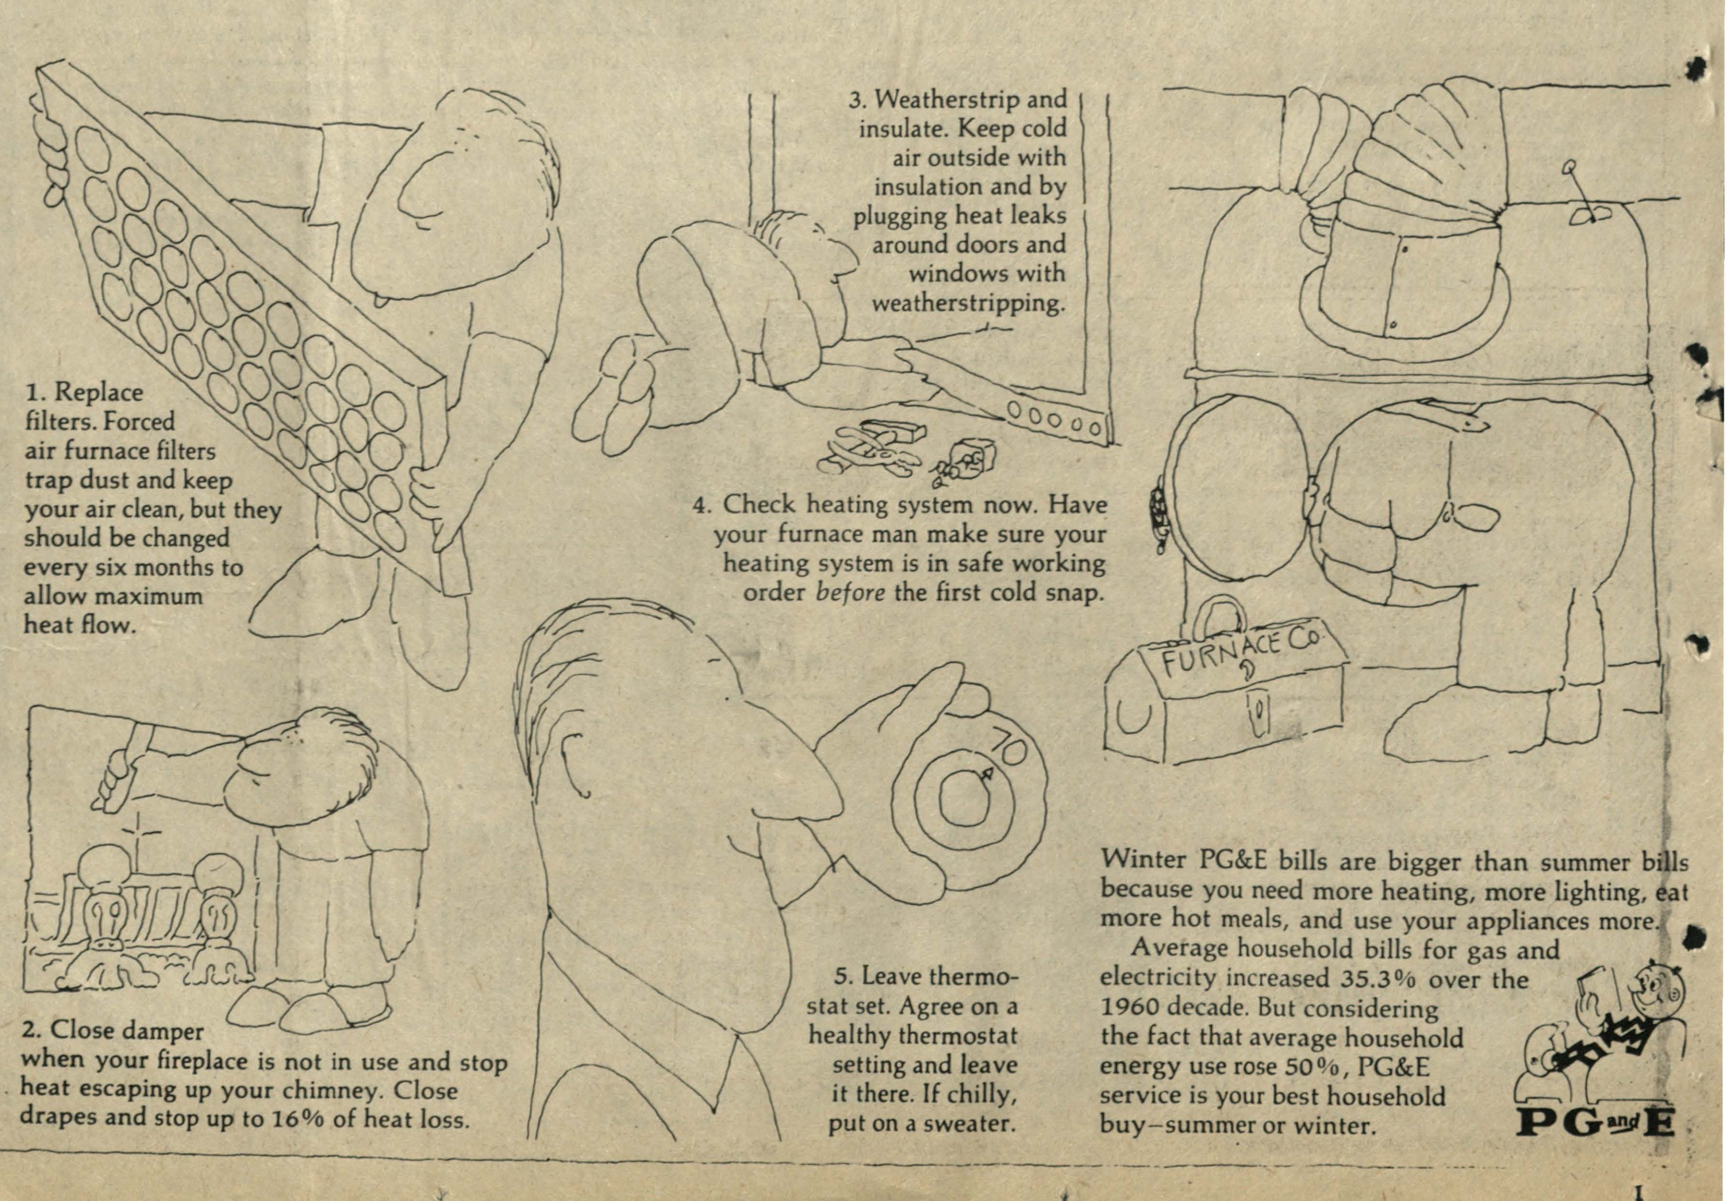
How to beat the rising cost of winter.



1. Replace filters. Forced air furnace filters trap dust and keep your air clean, but they should be changed every six months to allow maximum heat flow.

2. Close damper when your fireplace is not in use and stop heat escaping up your chimney. Close drapes and stop up to 16% of heat loss.

3. Weatherstrip and insulate. Keep cold air outside with insulation and by plugging heat leaks around doors and windows with weatherstripping.

4. Check heating system now. Have your furnace man make sure your heating system is in safe working order *before* the first cold snap.

5. Leave thermostat set. Agree on a healthy thermostat setting and leave it there. If chilly, put on a sweater.

Winter PG&E bills are bigger than summer bills because you need more heating, more lighting, eat more hot meals, and use your appliances more.

Average household bills for gas and electricity increased 35.3% over the 1960 decade. But considering the fact that average household energy use rose 50%, PG&E service is your best household buy—summer or winter.

PG and E

Art Guild hears Jane Hofstetter

Campbell Artist's Guild will have Mrs. Jane Hofstetter as the guest speaker at their regular meeting Oct. 15 at Campbell Woman's Club Bldg., 274 E. Campbell Ave.

Jane will demonstrate a collage technique with jesso adaptable to oil or acrylic painting.

The business meeting will be at 7:30 and program at 8 p.m. Guests and prospective members are welcome.

GARDEN CLUB

The Blossom Valley Garden Club will hold its monthly meeting at St. Edwards Episcopal Church, on Union and Branham, on Wednesday, Oct. 21 at 10 a.m. There will be a Christmas workshop and silent auction. Demonstrations will be given by Mrs. Albert Rocco Sr. and Mrs. Lorenzo Pace. Members are asked to bring a sack luncheon. Hostesses are Mrs. John Henzie and Mrs. Clarence Detwiler. Anyone interested in the Garden Club may call Mrs. Eugene Riggs, president, 371-0294.

Healy directs unique marionette theater production Saturday

The San Jose Marionette Theater, sponsored by the Cabrini Community Theater, will present a very unusual production of "Jack and the Beanstalk" next Saturday, Oct. 17, at 3 and 8:15 p.m. in the St. Frances Cabrini Hall on Camden Ave., between Union and Bascom Aves.

The uniqueness of this production centers around the fact that for the first time in an operetta in our valley, both marionettes and youngsters will be onstage together, playing their dialogue back and forth. This is done by combining and unifying the various methods of children's theater and marionette theater, using music as the binding force.

The script is an original, written by Anne Sudyka and John P. Healy, Jr., with the music and lyrics also by Healy. It is written on a dual level, one for the children, who are always fascinated by this story and by marionettes, and the second level for adults, using verbal puns, slapstick, and good, clean adult humor. This production should appeal to everyone from 5-65 yrs.

Among the live performers are Mark Healy as the Giant. Mark, CCT's "outstanding performer '69", has been seen in productions by the West Valley Light Opera, San Jose Children's Musical Theater, and the CCT Guest Artist Series. He is currently a freshman at Leigh High.

Carol Valenti, who plays his wife, is also experienced in stage work in the area.

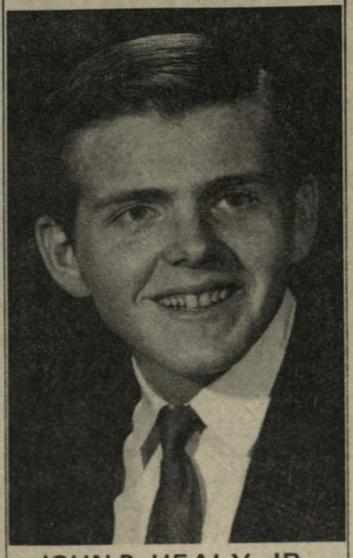
The Guards are portrayed by Sally Casey, David Seeburger, and Mike Crisham. The Harp is Mary Healy, and the psychedelic witch is performed by Robbi Thornburg of Camden High. Backstage, the voice of Jack is Steve Isham, with Shelley Gennoe providing Mother's voice, and Anne Healy singing.

Another highlight of this production is the special-effect lighting, designed by CCT Resident Director, John P. Healy, Jr. of Stanford University.

Healy, who has directed 16 musicals, operettas, and dramas, including this one, has also worked as stage manager and lighting designer for the famed "Sudyka Marionettes" when they presented "Little Red Riding Hood" at the Cabrini Theater.

"Pulling the strings" for Jack and the Beanstalk will be Mike Hare, Gary Seeburger, Linda Pillers, Sabrina Gatts, and Shawn Wente. They were trained by co-author Anne Sudyka in the art of marionette manipulation and techniques.

"This promises to be one of the most interesting productions I've ever seen," says director Healy. "The youngsters are all fired-up because they know that they are making musical theater history in our valley, and they've got a good, entertaining show on their hands." For further information or tickets, call 371-0232 or 377-9825.



JOHN P. HEALY, JR.

CSEA plans benefit party

A card party will be held Friday, Oct. 23, at the Campbell High School cafeteria at 8 p.m.

Proceeds of the party will go towards the scholarships that the Campbell Union High School District employees' organization, California School Employees Assoc., (CSEA) gives each year to high school graduates.

Mrs. Burnette Creighton and Mrs. Ben Mayo are co-chairmen, while Milton Nelson and Mrs. Alice Grundmeier are in charge of door prizes. Mrs. Ray Goodman is in charge of arrangements. The decorations are being made by Mrs. Maisie Flanders, Mrs. Fran Carlson and Mrs. Russell Bearrows.

Tickets can be purchased at the door or at any Campbell High School District office.

Retirement center holds open house on Sunday

Westgate Villa near Prospect High School, a new retirement center for senior citizens located at 5425 Mayme Ave., will open its doors on Sunday, Oct. 18 with an open house.

The open house will be held from 2 to 7 p.m. to introduce this new concept in senior living to the general public. Tours of the facility are scheduled throughout the afternoon as well as a continuous buffet dinner. The Westgate Volunteer Auxiliary in conjunction with the residents of Westgate Convalescent Center will also hold an arts and crafts show.

Westgate Villa has been carefully designed to fill the need for modern retirement living without investment and at moderate cost, for active older people who do not wish to live alone.

Included in Westgate Villa are a beauty and barber shop, laundry facilities and weekly housekeeping services. Rooms are private or semi-private with complete air conditioning. Meals will be prepared by a dietitian and served in a spacious dining room. A formal lounge, library, club room, recreation room and meditation room are included in the Villa facilities.

A full-time recreation director will plan and direct programs to meet the mental, physical and social needs of the residents. Excursions to social programs and bay area points of interest will be provided via the Villa mini-bus.

Westgate Villa is operated in conjunction with the Westgate Convalescent Center.

After six months' occupancy each resident of the Villa will be provided with a maximum of 10 days nursing service each year in the Convalescent Center should temporary illness occur.

CANDIDATES--Election of officers will be held by St. Lucy's Youth Council following a potluck dinner on Wednesday, Oct. 21. Candidates are (rear, standing) Jim Hillier, (center) Mark Sylvia, Jan Wojciechowski, and Mary Jo Weslow and (front) Jon Brown and Mike Rose.

Youth Council holds potluck

St. Lucy's Youth Council is planning a potluck dinner for high school and junior college age students at Kennelly Hall, 2350 Winchester Blvd., on Wednesday, Oct. 21, at 6:30 p.m.

The dinner is free to anyone in that age group who is interested in knowing more about the youth council and would be interested in helping elect new officers.

Reservations are requested by Oct. 14 and may be made by calling Mrs. Hillier, 378-7593 or Mrs. Phillips, 378-3804.

Officer nominees are Jan Wojciechowski, Mike Rose and Jim Hillier for president, and John Brown, Mary Jo Weslow and Mark Sylvia for secretary.

Bob Clarke and Bridget Lee have been serving as interim president and secretary since March when the Youth Council was formed.

Dances, car washes, retreats and other activities have been conducted by the council since their formation. Currently they are planning a ski trip and many more dances.

(Last Saturday the council sponsored a car wash to help the Dr. Norman Shumway Cardiac Research Fund.)

At present the youth council numbers about 100, not including another 140 in in discussion groups.

Currently the council is seeking additional members and is not limited to any particular religion.

Communication advisor Don Dean emphasizes "ALL are welcome."

Women's Society meets tomorrow

The Women's Society of Christian Service of the First United Methodist Church will hold a meeting Thursday, Oct. 15, in the Fireside Room of the church at 10 a.m.

Betty Samdahl, Bernice Cox, Jean Dewey, Mildred Uchytil and Carolyn Milligan will participate in a program entitled "What's the Big Deal About 30?" beginning at 11 a.m.

Buttercup Circle will serve the luncheon.

GOURMET AFFAIR

Planned Parenthood of Santa Clara County will hold its second annual Gourmet Celebration on Sunday, Oct. 18, on the mall at Syntex Research Center, Palo Alto, 5:30 to 7:30 p.m.

The gala food and wine-tasting affair is open to the public and there will be a large variety of enticing dishes contributed by Planned Parenthood volunteers.

Cancelled

The spaghetti feed planned by California School Employees Association, Chapter 78, at Campbell High School on Saturday, Oct. 17, has been cancelled.

Bringing up fido

©

By
Sally Howe

Several kinds of dog illnesses are "going around" right now. If your pet gets sick, please don't take him out on the public street and expose other dogs.

* * *

Seems as though October is the month of "strays." Fido gets bored after the kids leave for school and climbs the fence or exits through the gate after the milkman. Be sure he's wearing his license!

* * *

Bathing a dog doesn't just mean plopping him into the bathtub. Certain "before" things should be done. Place the dog on a table and carefully examine ears, eyes and feet. Use a wirebrush to get mats out of his coat. If there are mats behind his ears that you cannot comb, scissor them out–don't just leave them!

Use cotton and some milk oil to clean out the ears. If the eyes are mattery, you can clean them carefully with a milk solution of eye wash.

Feet can be sensitive, so handle them carefully. Small stickers can wedge between toes and cause milk infections. Trim the excess hair under the pad (that which extends beyond the pad) and CUT THOSE NAILS!

It is not uncommon to see a dog with very long nails walking like his feet hurt. Probably the long nails have thrown his entire body off balance. Many times his feet will be spayed by the long nails, too.

* * *

Pets In Need, the organization that does such a marvelous job of placing dogs in new homes, rescuing unwanted pets and trying to educate an apathetic public about animal care, sent me some information recently.

One note from that material: "1000 puppies are born in California every 60 minutes."

So what makes you think you'll be able to sell or even give yours away?

Real estate class begins

A "Seminar on Real Estate for the Small Investor" will be held at West Valley College beginning Wednesday, Oct. 14.

During four consecutive Wednesday evening sessions (from 7:30 to 9:30 p.m.) participants in the course will learn the basic rules of a good investment for the small investor, the major pitfalls and problems of investing in real estate, the latest tax laws and benefits related to the small real estate investor in addition to other major areas of concern.

Experts in the field of real estate investment will be brought in each week to discuss one aspect of the real estate field. William Eilrich, member of the California Real Estate Association, San Jose Real Estate Board and real estate investor in Santa Clara County for the last nine years, will be the instructor in charge of the course.

Interested participants in the seminar must register for the non-graded course in the Office of Community Services, 44 E. Latimer Ave., Campbell, room L-26, telephone 379-1733, ext. 58

Due to limited space, registrations will be accepted on a first-come, first-served basis with residents of the West Valley district given priority in registration.

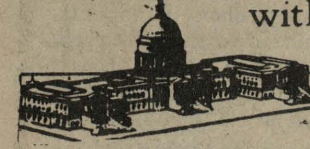
ON CAPITOL HILL



with "Charlie" Gubser

In 1962 President John F. Kennedy said, "The peace of the world and the security of the United States and of all American States are endangered by reason of the establishment by the Sino-Soviet powers of an offensive military capability in Cuba,...".

Currently there are reports that the Soviet Union is building a submarine base at Cienfuegos. I shall wait for the Administration to make a firm statement regarding the truth or falsity of the report. But I will speculate as to what it means if true.

The existence of a Russian submarine base in Cuba is a United States than the few missiles which Russia withdrew after the confrontation in 1962!

Since that crucial period of time, Russia has developed the world's most powerful submarine force. Years ago we decided to limit our POLARIS submarine force to 41 boats. Today Russia has more than fifty submarines capable of carrying ballistic missiles, including 20 to 23 nuclear boats. By 1975 she will have more nuclear underwater craft than we.

Our total capability for producing subs is ten to twelve per year. By working multiple shifts the Soviets can produce 35. In the last two years the Soviets have introduced more new submarine designs than in any other period of naval history. But in the last ten years, the United States has introduced only one new design. Russia's total number of submarines is 360 to our 147. Sixty-five of them fire the dangerous CRUISE missile and the United States has no such capability.

All of this adds up to a determined Soviet effort to develop an invincible submarine fleet with an intercontinental capability!

At present Russian YANKEE-class ballistic missile submarines travel from the Norwegian Sea and cross the Atlantic Ocean, a distance of 4,000 miles, to reach their patrol positions within range of east coast cities. It is estimated that thirty of each sixty days on patrol will be spent by a YANKEE submarine going to and from its station out of range of those cities.

A sub base in the western hemisphere would enable Russian boats to almost double their time on patrol within range of U.S. targets. To put it another way, such a base would double the missile firing capability of the Russian submarine fleet.

A POLARIS-type submarine of the Soviet Navy operating in the middle Atlantic could only spend 32 of each 60 days on station if required to return to Russian bases. But it could spend 50 days if based in Cuba. Operating in the vicinity of Bermuda, it could be effective for 52 out of 60 days and from the Gulf of Mexico would be fully capable of firing on the United States for 56 of 60 days. Under present circumstances it could operate only 20 days on such a station.

Some will probably dismiss these thoughts as propaganda to provoke fear. But they are hard facts which can't be challenged. They can be blithely ignored by making the assumption that the Soviet Union has peaceful intentions, will keep its promises, and is building its offensive, three-ocean Navy only for the purpose of self-protection.

VIOLET SOCIETY

The African Violet Society of the South Bay will hold its regular monthly meeting to study further the culture of African Violets in the community room of Palo Alto-Salinas Savings in Cupertino on Tuesday, Oct. 20, at 1 p.m. Visitors are wlecome.

COFFEEBREAK--Mrs. Pat Bynum, R.N., 2076 Via Deste, Campbell, receives cake from Floyd A. Sorensen, president and chief executive officer of The Good Samaritan Hospital, at the hospital's fifth anniversary party for employees, volunteers and medical-dental-staff members.

League speaker guests at WSC

Women's Service Club of Campbell will meet at the home of Mrs. George Van Sickle, Leigh Ann Place, on Wednesday, Oct. 28, at 1 p.m.

A member of the Los Gatos - Saratoga League of Women Voters will be speaking on issues on the November ballot.

Co-hosting with Mrs. Van Sickle will be Mrs. Ford Whitney, Mrs. William Means and Mrs. Robert Luhdorff.

The clubwomen are planning a rummage sale on Tuesday and Wednesday, Oct. 20 and 21, at the Grange Hall, 109 N. First St., from 9 a.m. to 5 p.m. Mrs. Herbert Binley, chairman, is being assisted by Mrs. Everett Nelson and Mrs. Harold Strickland.

Mrs. Lowell Besack is service club president.

OCTOBER 14, 1970

On this date in 1961, the North American Air Defense Command conducted "Operation Sky Shield," the largest air defense exercise in the Western Hemisphere. All commercial aircraft were grounded for 12 hours during the exercise.

P. T. A. News

Castro

Castro Jr. High PTA is presenting an evening of films for its Oct. 22 meeting at 7:30 p.m.

Last year the eighth grade learning disabilities class, under the direction of their teacher, Mr. Hadlock, made a movie on pollution, filming several areas in Santa Clara County, synchronized it with three songs, "Sounds of Silence", "In the Year 2525" and "America", calling the film "Stop it before it Stops You".

"The Shuddering Seven," as the class called themselves, entered this film in the Student Bay Area Film Festival and took first place, then went on to take third place in the Student Film Festival of California.

Another movie that will be shown is one on Playground Safety in K-6 grades, produced by Mrs. Milden. This is in live action with some animation and illustrates the kind of things that can be done towards a safer program. The showing will be in the school's cafeteria at 4600 Student Lane, San Jose. Admission is free.

How we make EXTRA Sure Safeway Brand Foods Are Always sold FRESH

(Dates on packages? We've been using them for years!)

For Example, here's how the date appears on a carton of Safeway Milk. It tells our employees that any package which carries a date of "1-15" is not to be sold after Jan. 15. We do this to make certain that it will remain fresh up to a week or more with home refrigeration.

LEGAL NOTICE

NO. 70809
NOTICE OF TRUSTEE'S SALE

NOTICE is hereby given that on Friday, the 6th day of November, 1970, at the hour of 11:00 o'clock A.M. at the front entrance of 3133 Stevens Creek Blvd. in the City of Santa Clara, County of Santa Clara, California, SECURITY GUARANTEED AGENCY, INC., as Trustee, will sell at public auction to the highest bidder, for cash, in lawful money of the United States, all payable at the time of sale, the following described real property, situate in the City of Campbell, County of Santa Clara, State of California, and described as follows:

Lot 90, Tract No. 2232 Claralinda, as shown on a Map recorded in Book 97, pages 51 through 53 of Maps, Records of Santa Clara County, California.

Said sale will be made, without covenant or warranty regarding title, possession or encumbrances, to satisfy the obligations secured by and pursuant to the power of sale conferred in a certain deed of trust executed by CARL F. MARRUJO and CHRISTINE MARRUJO as Trustors, to SECURITY GUARANTEED AGENCY, INC. as Trustee, for the benefit and security of JOSEPH F. BASE JR. and CAROL C. BASE, his wife as joint tenants, dated May 20, 1969, and recorded June 3, 1969, in Book 8554, Page 324, Official Records of the County of Santa Clara, State of California.

Default was recorded June 19, 1970.
Dated: October 1, 1970.
SECURITY GUARANTEED AGENCY, INC.
Trustee.
NORMAN H. LAMPRECHT, Treasurer.
PUBLISH: Oct. 7, 14, 21, 1970.

LEGAL NOTICE

ORDINANCE NO. 748

BEING AN ORDINANCE OF INTENTION OF THIS CITY COUNCIL OF THE CITY OF CAMPBELL, COUNTY OF SANTA CLARA, STATE OF CALIFORNIA, TO VACATE A PORTION OF THAT CERTAIN STREET KNOWN AS WHITE OAKS ROAD SITUATE NORTHERLY OF REDDING ROAD AND SOUTHERLY OF CAMDEN AVENUE, BEING A PUBLIC STREET IN SAID CITY, AND SETTING A TIME AND PLACE OF THE HEARING THEREON AND GIVING NOTICE THEREOF.

WHEREAS, the City Council of the City of Campbell finds and determines that a certain portion of White Oaks Road, a public street in the City of Campbell, a map of which is on file in the office of the City Clerk of the City of Campbell, at City Hall, 75 North Central Avenue, Campbell, California is not necessary for present or for prospective public street purposes; and

WHEREAS, the City Council of the City of Campbell finds and determines that it is in the best interest and for the betterment of the general welfare of the citizens of the City of Campbell and of the public at large that said portion of White Oaks Road be vacated; and

WHEREAS, the City Council of the City of Campbell does hereby elect to proceed in accordance with the provisions of Division 9, Part 3, Chapters 1, 2, and 3 of the Streets and Highways Code of the State of California;

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF CAMPBELL DOES ORDAIN AS FOLLOWS:

Section One: That it is the intention of the City Council of the City of Campbell to vacate, abandon, and close to public use that certain portion of White Oaks Road situate Northerly of Redding Road and Southerly of Camden Avenue, being a public street in said City, a map of which is on file in the office of the City Clerk of the City of Campbell, at City Hall, 75 North Central Avenue, Campbell, California, reference to which is hereby made for further particulars.

Section Two: That it is the intention of the City Council of said City of Campbell to reserve and except from the vacation the permanent easement and right at any time, or from time to time, to construct, maintain, operate, replace, remove, and renew sanitary sewers and storm drains and appurtenant structures in, upon, over and across any street or part thereof proposed to be vacated and pursuant to any existing franchises or renewals thereof, or otherwise, to construct, maintain, operate, replace, remove, renew and enlarge lines of pipe, conduits, cables, wires, poles, and other convenient structures, equipment and fixtures for the operation of gas pipe lines, telegraphic and telephone lines, railroad lines, and for the transportation or distribution of electric energy, petroleum and its products, ammonia, water, and incidental purposes, including access and the right to keep the property free from inflammable materials, and wood growth, and otherwise protect the same from all hazards in, upon and over the street or part thereof proposed to be vacated. These vacation proceedings are taken subject to such reservations and exceptions.

Section Three: Notice is hereby given that on Monday the 9th day of November, 1970, at the hour of 8:00 o'clock P.M. of said day, in the City Council Chambers in the City Hall, at 75 North Central Avenue, Campbell, California, is hereby set as the time and the place for hearing all persons interested in or having objections to said proposed vacation.

Section Four: IT IS HEREBY ORDERED AND DIRECTED that a copy of this Ordinance of Intention be forthwith published twice, once each week for two successive weeks, which latter publication shall be made not less than ten (10) days prior to the date of the hearing, in the Campbell Press, a newspaper of general circulation, printed and published in the City of Campbell, and that Notices of Public Street Vacation be posted conspicuously along the lines of the street or parts thereof proposed to be vacated at least ten (10) days prior to the date set for the hearing thereon. Such notices shall be posted not more than three hundred (300) feet apart, but at least three (3) such notices shall be posted for each portion. Such notices shall state the passage of this Ordinance of Intention and announce the time and the place of the hearing on the proposed vacation.

PASSED AND ADOPTED this 28th day of September, 1970, by the following vote:
AYES: Councilmen: Podgorsek, Rogers, Chamberlin
NOES: Councilmen: Doetsch, Smeed
ABSENT: Councilmen: None
APPROVED: Dean R. Chamberlin, Mayor.
ATTEST: Dorothy Trevethan, City Clerk.
PUBLISH: October 7, 14, 1970.

LEGAL NOTICE

NOTICE TO BIDDERS

NOTICE IS HEREBY GIVEN that sealed bids will be received by the Governing Board of the West Valley Joint Community College District of Santa Clara County, California, at the Office of the Dean of Business Services of said District, 44 East Latimer Avenue, Campbell, until 11:00 a.m. October 21, 1970, at which time and place bids will be opened and publicly read aloud for the furnishing and leasing to said District of the items of equipment generally described as follows:

BID #9-7071 MAINTENANCE TOOLS

Said items of equipment noted above shall be furnished and leased to said District in accordance with the specifications therefore previously approved and shall be purchased on a three year lease-purchase basis. Said terms of lease shall be in accordance with specifications, conditions and forms on file in the Business Services Office of said school district, to which reference is hereby made for greater particularity. The bid shall include all costs of said equipment of any nature whatsoever.

Each bid must conform to the requirements of the plans and specifications and all other documents comprising the contract documents. The contract documents may be examined and copies obtained at the Office of the Dean of Business Services, 44 East Latimer Avenue, Campbell, California.

Owner shall reserve the right to hold any and/or all bids for a period not to exceed thirty-five (35) days.

No bid shall be considered unless it is made up on a form provided by the West Valley Joint Community College District and accompanied by a certified check, cashier's check, money order or bidder's bond for ten percent (10%) of the amount of the bid made payable to the West Valley Joint Community College District. The above mentioned checks or bid bond shall be given as a guarantee that the bidder shall execute the contract if it be awarded to him in conformity with the contract documents and shall provide the surety bond or bonds required within five (5) days after notification of the award of contract to the bidders.

The Governing Board of the West Valley Joint Community College District reserves the right to reject any and all bids and/or waive any irregularities in the bidding.
James P. Hardy, Secretary to the Board.
PUBLISH: Oct. 7, 14, 1970.

LEGAL NOTICE

NOTICE OF INTENTION TO ENGAGE IN THE SALE OF ALCOHOLIC BEVERAGES
TO WHOM IT MAY CONCERN:

Subject to issuance of the license applied for, notice is hereby given that the undersigned proposes to sell alcoholic beverages at the premises, described as follows:

1781 Winchester Blvd., Campbell

Pursuant to such intention, the undersigned is applying to the Department of Alcoholic Beverage Control for issuance by transfer of an alcoholic beverage license (or licenses) for these premises as follows:

ON SALE BEER (Eating Place)

Anyone desiring to protest the issuance of such license(s) may file a verified protest at any office of the Department of Alcoholic Beverage Control, or by mail to the Department of Alcoholic Beverage Control, 1215 O Street, Sacramento, California 95814, stating grounds for denial as provided by law. The premises are now Licensed for the sale of alcoholic beverages. The form of verification may be obtained from any office of the Department.

sion, was recognized by the chairman.

RECALL ACTION

Paul stated that many of the citizens present were there to hear the report of the citizens finance committee on the financial status of the district which had recommended the dismissal of the business manager, C. E. Bradley.

Paul said the report had been deferred by the chairman and added that it was now imperative because of "swift gavel and sharp knife" of the president to form a recall committee.

MacQuiddy cut him off at that point.

However, the Rev. W. H. (Ben) Gould then came to the mike and pointed out that the trustees may have exercised their legal rights but not their moral ones and announced that those interested in recall would meet the next night.

All the action had been taken under "communications" on the board's agenda. Preceding MacQuiddy making his motion, eight letters relative to the district's problems had been read into the record.

Almost all the letters noted the conflict and dissension that existed in the present board and appealed to the board to settle the differences for the welfare of the district.

OTHER ITEMS

The board then proceeded with the other items on the agenda which included a request by Bradley for a furnace repair job at Moorpark School which was estimated to cost $10.

Under discussion, a representative of the teachers group wanted to know where the money was coming from.

Another item concerned a piano with a broken leg that Bradley had asked to be classified as surplus property so it could be sold for at least $25.

There were no objections from the floor when it was pointed out that the piano would not stay in tune and the money would go into the general fund.

In a routine action, the board gave official recognition to the Campbell Elementary Teachers' Association and West Valley Federation of Teachers but specified that the West Valley Federation of Teachers would not be represented on the negotiation council because their membership was "too small".

Approved also was the disability insurance program for school employees based on a recommendation made by the employees' group which indicated the new plan would cost less than the amount already budgeted.

The teachers' representative started to the mike again but stopped when it was pointed out that the money was already in the budget.

The board adopted the Family Life Education Curriculum program as recommended by Jim D'Avis, assistant superintendent, which is elective and consists of two strands (1) social and cultural and (2) economics.

TEACHERS' SALARIES

A motion by Mrs. Ruscigno to pay teachers a "bonus" geared to the amount in the reserve fund at the end of the fiscal year in excess of $200,000 up to $400,000 lost by a 2-1 vote (Steinberg and MacQuiddy abstained) with Mrs. Graham-Armstrong opposing.
teachers negotiation council, said that the council should first discuss the proposal.

MacQuiddy reported that he had not met with the City of Campbell officials in recent weeks to iron out the details involved in the city's neighborhood park program at eight of the district's schools.

plans next Monday.

Before the Commission next Monday also will be a use permit application of Shell Oil for a proposed new service station on the southwest corner of Bascom and Campbell avenues. The proposal calls for the removal of the present closed station on the property as well as the market building adjacent to it.

Plans for a 102-unit apartment complex, submitted by Feldheym, Woff and DeGrange, architects, on property behind the San Tomas Market are also on the Commission's agenda.

New plans for a proposed residential development by Kunkel-Thomas Co. at Sunnyoaks and Virginia have also been submitted. A previous duplex development was turned down.

Dick's Automotive Center has applied for a use permit for towing and storage operation at 210 Curtner.

RANK

The rank of admiral was especially created by Congress for Admiral David Glasgow Farragut for his naval victories in the Civil War.

LEGAL NOTICE

NO. 71384-SC
NOTICE OF TRUSTEE'S SALE

NOTICE is hereby given that on Tuesday, the 10th day of November, 1970, at the hour of 11:00 o'clock A.M. at the front entrance of 3133 Stevens Creek Blvd. in the City of Santa Clara County of Santa Clara, California, SECURITY GUARANTEED AGENCY, INC., as Trustee, will sell at public auction to the highest bidder, for cash, in lawful money of the United States, all payable at the time of sale, the following described real property, situate in the City of Campbell, County of Santa Clara, State of California, and described as follows:

Lot 139, Tract No. 1587 Latimer Park Unit No. 2, as shown on a Map recorded in Book 63, page 35 of Maps, Records of Santa Clara County, California.

Said sale will be made, without covenant or warranty regarding title, possession or encumbrances, to satisfy the obligations secured by and pursuant to the power of sale conferred in a certain deed of trust executed by DALE H. SCOTT AND SHARON S. SCOTT, his wife as Trustors, to SECURITY GUARANTEED AGENCY, INC. as Trustee, for the benefit and security of VICTOR G. FLORENCE AND RUBY M. FLORENCE, his wife, as joint tenants, dated August 19, 1969, and recorded August 26, 1969, in Book 8650, Page 91, Official Records of the County of Santa Clara, State of California.

Default was recorded April 28, 1970.
Dated: October 6, 1970.

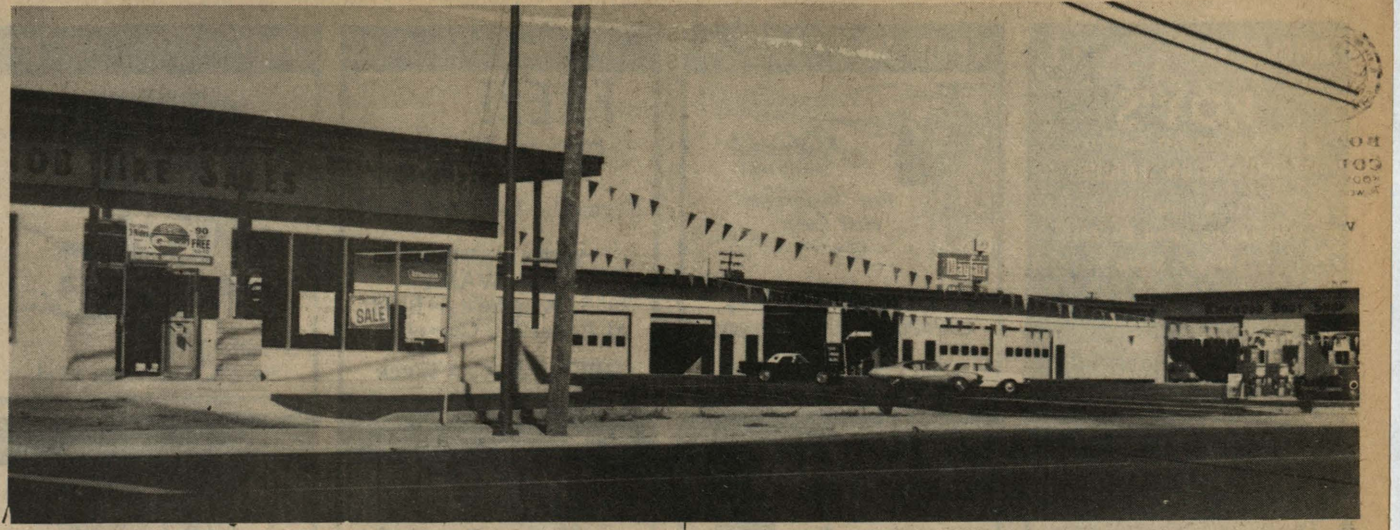
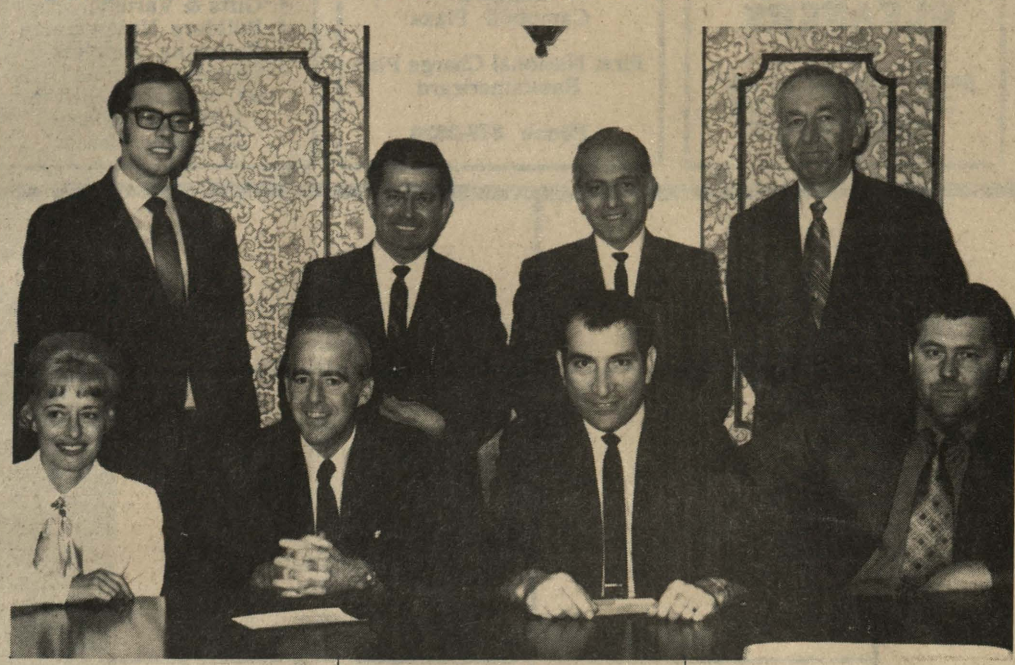
New Auto Center -40,000 sq. ft. of Commercial

There will be over 50 businesses by the middle of 1971 within the fifteen-plus acres of Kirkwood Plaza, according to Ira Kirkorian, owner-developer of the Center. This does not include the 37 offices in the 2-story Office Building Complex anchoring the Center at the West end. Quite a feat within a short five years. "We are very pleased with the caliber of the new businesses coming into our center" said Ira; "every one of them will be an asset to our center and we are very happy to point out that approximately 75% is already reserved." KIRKWOOD PLAZA is truly becoming a "ONE STOP CENTER", a friendly village within itself.

City and county dignitaries were on hand last Friday to dedicate the large, new Kirkwood Auto Center, newest addition to the Kirkwood Plaza complex at San Tomas Aquino Rd. and Campbell Ave. Heading the list of officials was County Supervisor Ralph Mehrkens, at far right in photo above. Others taking part in the official ceremony were (left to right) Campbell Mayor Dean Chamberlin, CofC manager; Bob Bullard and Jerry Roberson of the Auto Center, and Ira Kirkorian, builder and developer.



Kirkwood Plaza Marks Fifth Year



New Officers Elected At Kirkwood Plaza

KIRKWOOD PLAZA BOARD CONVENES--Coincident with the observance of their fifth anniversary in Campbell, the merchants association at Kirkwood Plaza announced the names of their new board of directors and officers. Shown above are the new officers: (seated, left to right), Bea Di Duca, secretary; Robert Schooler, president; Joe Lombardi, first vice president; Jerry Roberson, second vice president. Standing, (left to right) are: Buzz Deriso, member of board of directors; Paul Landwehr of Kirkwood Construction; Pete Carlino, member of board; and Troy Rampy, member of board. Not shown is Fernando Chavez, treasurer.

Planetarium show open to public

The sun, its planetary family and the star field that surrounds them both will be displayed and described in five public programs presented in West Valley College's Planetarium at the Saratoga Campus this year.

Each Friday evening at 7:30 the planetarium will be open to the public. An admission fee of 50 cents per person will be collected at the door. However, reservations must be made in advance to insure seating.

"Our Day Star - The Sun" will appear at the planetarium through Nov. 20. This first program will explore the secrets of the nuclear furnace of our solar system that is so vital to life on this planet.

Other planetarium shows during the year will include: "Star of Wonder," "The Tooth on Coalsack Bluff," "Captives of the Sun," and "One Night in 54 A.D."

All planetarium shows will begin with an illustration and discussion of what is currently in the sky overhead in San Jose. The shows will all be developed and conducted by Charles Warren.

Skiers: get in shape!

Skiers interested in getting in shape before hitting the slopes this winter should register now for a pre-ski exercise clinic to be offered at West Valley College.

The course will be offered on four consecutive Tuesday evenings beginning Oct. 20 from 7:30 to 9:30 p.m.

The course will consist of conditioning and strengthening exercises specifically designed to prepare skiers for the strenuous physical demands of the sport. The exercises are necessary to prevent or minimize injuries such as twisted or broken ankles, knees and pulled muscles.

Mrs. Joan Sarlo, physical education instructor at West Valley College, will instruct the course. She has had 10 years experience teaching physical education and 20 years experience skiing throughout Europe and the United States, including veteran racing experience.

Interested participants may register for the course at the Office of Community Services 44 E. Latimer Ave., room L-26, telephone 379-1733, ext. 58. Due to limited enrollment, registrations will be accepted on a first-come, first-served basis. Location for the course will be given to those who register for the course.

Boosters club seeks members

A general meeting of the Campbell High School Booster's Club will be held Tuesday, Oct. 20, 8 p.m.

The Booster's Club was organized two years ago to support approved student activities at the high school.

Most of the members are parents or former students.

To date they have been able to give financial help to the athletic and debate teams as well as physical help to student activities.

The meeting will be in the high school music room. Officers include Al Davis, president, Lou Ferrari, vice president, Joy Gundy, secretary and Joe Waldon, treasurer.

For more information about the club, call Mr. Davis at 378-3837.

Letters to the Editor

FROM THE AFT

Dear Sir:

Much has been made of the statement issued by the Campbell Elementary Teachers Association Board of Directors to the effect that teachers would like a resolution of the problems which exist in the district that they may get back to their primary job, that of educating children.

The press has used this statement to suggest that militant teacher leaders are pursuing political objectives to the detriment of the children. Recent correspondents with the district's Board of Trustees have used this statement in expressing concern that teachers may be expending time and energy on political matters at the expense of their students.

Why has it not occurred to these same citizens that our children may be harmed by the fact that many of their teachers must work at a second job in order to support their families? Is is that teacher-time spent working at another job is not harmful to children, whereas teacher-time spent trying to effectuate changes in our society and in our schools is harmful to children?

Strange, isn't it! No one suggests that the engineer, doctor, accountant, fireman, clerk, newsman who engages in political activity must be neglecting his primary job in the process.

Why teachers then? Is it because teachers are at long last abandoning their traditional passive role? Is it that teachers have at last begun to realize that "teacher power" can be a vital force in effectuating educational reform?

Is it that teachers are at last beginning to understand that their role as educators does not end when the schoolroom doors close, that it is not enough to prepare our children for the society in which they will live, that we must also work to make that society a better place in which to send our children?

Is it that those who would control education (the anti-family life, the anti-ecology, the anti-integration forces) see this new teacher activism as a threat to the implementation of their program?

The anti-education, anti-teacher statements and actions of the Reagans, Raffertys, Agnews and Martha Mitchells should be a warning to all teachers of what is to come,as the radical right seeks to control the education of our children.

The full implication of new programs (PPBS, the voucher system, public funds for parochial schools, teacher accountability, performance contracting with private educational firms) must be understood by teachers if we are to prevent education from falling into the hands of big business interests who would create assembly line automatons who can read and write, add and subtract, but who can neither think nor relate to their fellow human.

Teachers have not only a right, but an obligation to speak out and to actively work on behalf of issues which affect education and the children to whose future they are dedicated. Teachers have a responsibility to work to influence legislation and public thinking at all levels. To support, work for, speak for public officials who will assist teachers in implementing educational reform and in upgrading the profession, at the national level, the state level, the local level, and at the school board level.

If teachers are to defend democracy and teach democracy, they must have the right, and must exercise the right, to participate fully in the democratic processes.

Yes, our primary job is teaching kids, but that job cannot be separated from the larger picture. Only by exercising a major role in all matters which affect children can our claim of dedication be believeable.

Teacher militantism be damned! This is professionalism of the highest order!

Very truly yours,
Gordon G. Martin
CUSD Representative
WVFT-AFT Local 1953

SCHOOL DISTRICT

Dear Sir,

As a mother of a school age child and an active member of a PTA Board, I am concerned and alarmed over the events of the last week. I do not know all the facts involved and I doubt that there are very many of us who do.

Perhaps the time has come for all persons involved with the education of our children to exercise some self-discipline. A cooling off period is needed by all involved so that the goals of administrators, trustees, parents and teachers can be re-evaluated and brought back into a proper focus. This cannot be achieved by pseudo-emotional-intellectual shouting matches or decisions made hastily under intense pressure.

As a parent with a child in Forest Hill Elementary School, my primary goal is the best education possible for my child and all other children in the district. That is what schools are all about.

The problems involved presently are complex and no one magic pill will cure them. They are also problems which can be solved in time if we are willing to put aside egos, personalities, and partisan politics and begin thinking and communicating like rational, realistic and concerned adults.

We have choices to make in the days ahead, each with his own conscience. What are our real interests? Education on the best possible level or constant friction and bickering. Peace or Power.

Thank you,
Edith R. Bonnet

PHARMACY PHACTS

By Allan Blaine

A new device can keep kidneys alive for as long as seventy-two hours before transplantation.

* * *

From barnacles comes a compound which may be used to cement tooth fillings and mend broken bones.

* * *

Podiatrists emphasize that foot ills are especially acute during winter, because cold weather constricts the blood vessels and impairs circulation.

* * *

Some biproducts of ocean algae help tablets to disintegrate more rapidly in the stomach. Others are used as part of anti-coagulant drugs.

* * *

Poisoning from oaks is caused by an unknown compound in the foliage, and sometimes in the acorns, which causes gradual kidney damage to livestock.

* * *

For modern service with old-fashioned courtesy, bring your prescriptions to

Baby sitters seminar teaches child care

Campbell Fire Department recently opened its fifth session of baby sitters seminars conducted each Monday night at Campbell High School.

The program, which started in March, 1969, has given 300 youngsters a foundation in child care, through demonstrations, film, lectures, and books.

Speakers for the current session, which began Oct. 5, include John Butler, juvenile officer of Campbell Police Department, who gave the youngsters a background on law enforcement, Dr. Robert Griffith, pediatrician, who will give them information about the symptoms and care of ill infants and Fireman Michael Johnson who will discuss first aid.

Other programs will demonstrate the bathing and feeding of a real baby (Patricia Winter), mouth-to-mouth resuscitation (Fireman John Butterfield), kitchen safety and food preparation (Mrs. Adele Charlson).

The classes accommodate about 70 children and will conclude with a graduation ceremony at Campbell Elementary School, according to Engineer Jack Christian of of the Campbell Fire Department who is director of the ten week seminar.

PLAN LUNCHEON--St. Lucy's Altar Society will hold a "Luncheon is Served" program at noon tomorrow (Thursday). Chairman Mrs. C. A. Thompson (left) consults with Mrs. C. W. McClafferty, Altar Society president, Mrs. Joseph Aversante, vice president and decorations chairman, and Mrs. Cliff Stewart, secretary and ticket chairman, in Kennelly Hall, where the "luncheon will be served."

Space symposium launched for adults

Metropolitan Adult Education's "Exploration of Space" symposium launches the fourth of seven lectures Oct. 13 with the subject of life on Mars.

Dr. Leonard Zill, chief of Exobiology Division of the NASA-Ames Research Center, will discuss the possibility of life on earth's closest neighbor.

Zill is a member of a six-man team of NASA experts on loan to adult education each Tuesday evening in the Wilcox High School Auditorium, Santa Clara, from 7:30 to 9:30 p.m.

The lecture series, augmented by films and displays, offers free to the public a unique chance to review discoveries of the 60's and exploration plans of the 70's—with the men who make it happen. The general public, teachers, and parents are encouraged to attend; no prior registration is necessary. A complete list of remaining topics can be obtained from the Campbell Adult Center, 292-2737.

Trips described in new brochure

A brochure outlining scheduled one-day and weekend trips planned by Y's Travelers, San Jose YWCA travel group for men and women, is now available at the YW, 210 South Second Street, San Jose, phone 292-1075.

Some of the trips are open to children, according to Mrs. Mary Reynolds, program director.

One day events include: Carmel and Monterey, Nov. 14; Sacramento, Nov. 27; "Christmas in San Francisco," Dec. 5; Oakland Flower Show, April 17. Additional one-day trips will be planned for other dates. The longer trips include New Year's in Nevada, Dec. 31-Jan. 2; Arizona, Feb. 11-16; Los Angeles, May 28-31.

COMMERCIAL PRINTING

Del Mar offers Russian class

Russian, the most intricate of Western languages, is being currently offered on both beginning and intermediate level by Metropolitan Adult Education Program at Del Mar High School Tuesday and Thursday from 7 - 9:30 p.m.

For a $1.75 registration fee, students may still join these classes taught by native speaker Ted Cimos who instructs both classes via the simplified method of language learning.

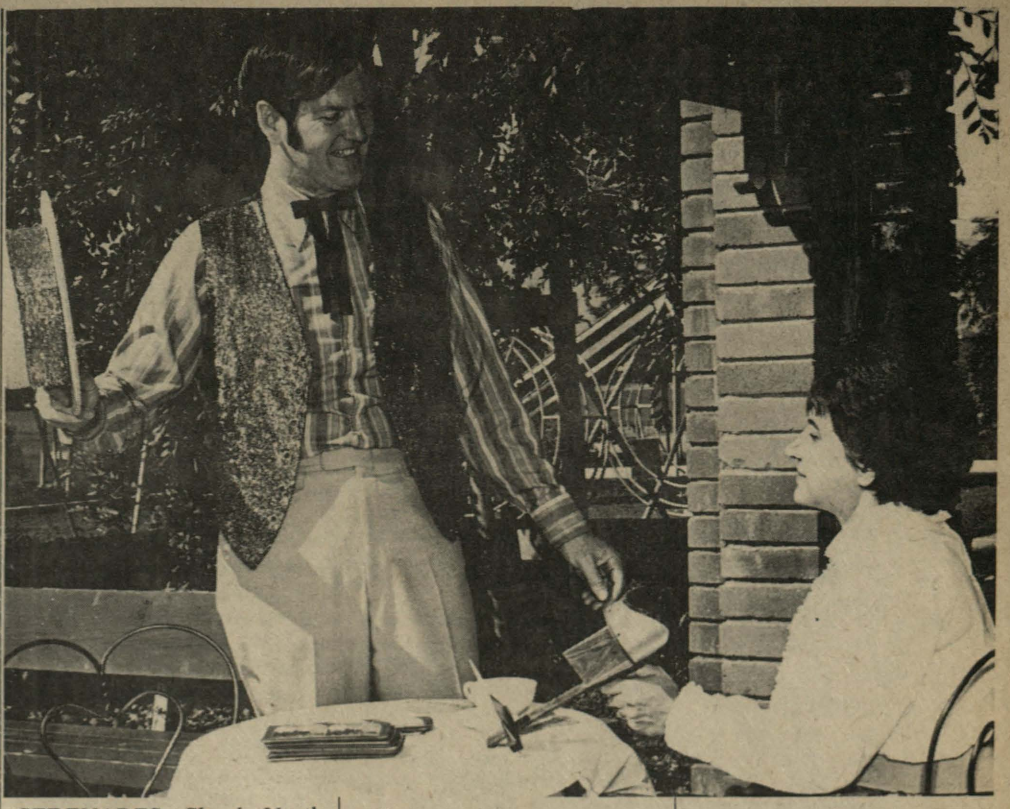
For further information call the adult center office at 292-2737.

Drive Defensively!

Little League honored byMoose

Moose Lodge No. 1811 honored the Campbell Moose Little League team at a banquet Monday evening. Special invitations were sent to the Little Leaguers and their fathers.

The Lodge's governor, Michael Towne, recently announced that the Moose have adopted epilepsy as a national civic affairs project for the coming year. The Moose will work with the county chapter of the California Epilepsy Society, assisting with employment referrals, public education, chapter expansion, patient service and development, according to Towne.



SERENADES---Chuck Northrup, a member of the Night-Lighters barbershop quartet, serenades Mrs. Ed Holbrook in a preview of the Children's Home Society Auxiliary's Gay Nineties Premiere. The benefit will be held at the county fairgrounds, Friday, Oct. 16, the night preceding the public opening of the annual Santa Clara County Home, Sports and Vacation Show, Oct. 17 - 25.

Campbell police will be honored at Shrine dinner

Campbell Police Department will be honored by the San Jose Shrine Club at a special Police Appreciation Night dinner on Thursday, Oct. 15. Accepting the salute of the Shriners for a job well-done, will be John Morgan, Campbell chief of police, and Don Burr and Larry Kelly, police captains.

Both Governor Ronald Reagan and Lt. Governor Ed Reinecke have indicated a desire to join the other State and local dignitaries who will attend the dinner which will be held at Lou's Village on San Carlos St. Three other police departments, those of Santa Clara, Los Gatos, and San Jose, will also be honored.

Police Appreciation Night chairman, Charles Ellner, stresses that the dinner is not a fund-raising event and is not limited to Shriners. Anyone who would like to show his regard for the excellent work of our local police is invited to attend.

To make reservations, contact Bill Dixon at 378-7440.

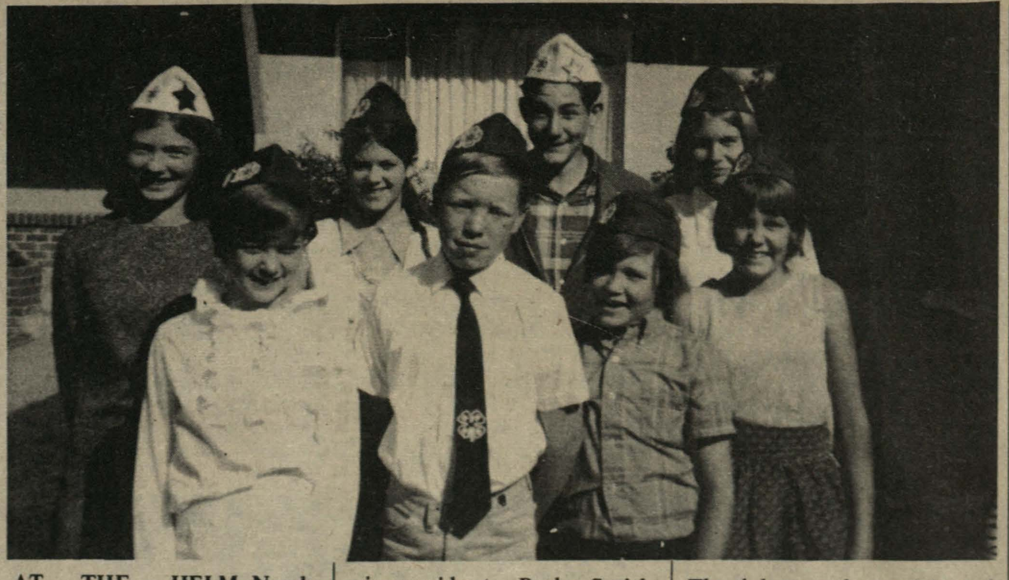
'Orange Machine' keeps rolling

"Just tell them the big orange machine is still rolling," exclaimed West Valley College's physical education department head Wayne Clay after the Vikings football team crushed American River College 33-0 to hold onto their unblemished season record and maintain their berth in the state's top ten.

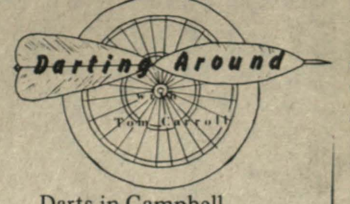
And truer words were never spoken as the Vikes in orange and blue pushed their record to 4-0 on the year as they prepare to open their Camino Norte Conference season Saturday at 1 p.m. against Marin in Kentfield.

Marin and West Valley have battled hard each game for the past three years but the Vikes have always come out on the winning end.

The "orange machine" showed no mercy as they ground out 391 yards total offense en route to a 33-0 shut-out of the American River Beavers. Leading the Viking charge was signalcaller Sonny Brasile. The 6'3" 198 pounder threw two touchdown passes, ran for another, and set up the final score on a 23 yard run.



AT THE HELM--Newly elected officers of Campbell 4-H are left to right, Nora Smith, president; Caprice Tantillo, secretary; Kevin Smith, treasurer; Lynn Smith, vice-president; Becky Smith, song leader; Tom Chivers, sargeant-at-arms; Kevin Clancey, reporter and Kathleen Clancey, recreation leader. The club recently participated in National 4-H week by placing informative posters in local stores and the public library.



Darts in Campbell.

Shades of merry old England. But it's true and the Gaslighter Theater number one team is currently the leader in the South Bay League of the Northern California Dart Association. There are 52 teams competing in the Bay Area, eight teams in the South Bay League with three in them in Campbell. The Gaslighter Theater, 400 E. Campbell Ave., sponsors two teams and the Black Knight Pizza Parlor, 1781 Winchester Blvd., sponsors the third.

Melodrama and Pizza sound almost incongruous when speaking of darts. One associates darts with the English Pub, and the English theme exists with the Lancashire Lad in Los Gatos. The Lad sells "fish and chips" with the Pub and dart boards in the rear. They sponsor two teams.

Another English sounding Pub is the Banbury Clock. Located above Sambo's in the San Jose Inn, 1860 The Alameda, it gets its name from the large clock over the center of the bar. This clock came from Banbury Station in England. This Pub also sponsors two teams.

The eighth team in the South Bay League is located on El Camino in Mt. View. The Scuttlebutt also serves sandwiches as well as the traditional beer and ale.

League play between these teams occurs on Wednesday nights at 8:30. While competition is keen in these matches, it reaches frenzied pitch on the weekends. Tournaments abound with the Banbury Clock starting things off on Saturday afternoon. Competition then moves to Los Gatos and the Lancashire Lad for Saturday evening. Then to Campbell and the Black Knight for Sunday afternoon.

Carl Aydelotte of the Gaslighter Theater II team won the first of the weekly tournaments held at the Black Knight two weeks ago, thus making that an all Campbell event.

This column is being started to keep you posted on the darting activities in the Campbell Area. We would appreciate your comments and will try to answer any questions you may have in future columns.

Mugs!

GAMES TONIGHT (Wed. Oct. 14)

Black Knight at Lancashire Lad I, 15797 San Jose Ave., Los Gatos.

Lancashire Lad II at Gaslighter Theater I, 400 E. Campbell Ave., Campbell.

Banbury Clock I at Banbury Clock II, upstairs San Jose Inn, 1860 The Alameda, San Jose.

GAMES NEXT WEDNESDAY (Oct. 21)

Gaslighter Theater I at Gaslighter Theater II.

Banbury Clock II at Black Knight, 1781 Winchester Blvd., Campbell.

Scuttlebutt at Banbury Clock I.

Lancashire Lad I at Lancashire Lad II.

West Valley Sports

TOP TEAMS PROVE WEST VALLEY NEMESIS

West Valley College soccer team has been playing the top teams in the Western Junior College Soccer Conference lately.

Last week the Vikings played the top team in the conference, Canada, losing 8-4, and will battle top ranked Skyline Thursday at their Saratoga home.

Dan Torres booted four goals but it wasn't enough as West Valley fell to Canada last Friday 8-4. WVC led at one point 3-1 but gave up four third period scores to the Mustangs and two more in the fourth to drop the decision.

"Our defense will have to be strengthened," estimated Viking head coach Dick Schwendinger. "It's hard to win a game if you give up eight goals." Torres was tabbed the Viking of the week on the soccer squad and was said to have played well and hard.

Other top performers in the loss were Mike Mullenberg, who played steady and displayed good ball control, Paul Allen, Ron Lopez, and Fernando Quijano, playing well in his first game for Valley.

WATER-POLO

After a disheartening start, the West Valley College Vikings water-polo squad managed to latch onto a fifth place consolation championship at the DeAnza Invitational Junior College-Frosh Tournament.

And in bringing in a fifth place, the Viking aquamen evened their season record at 7-7 as they lock horns with Cabrillo and Monterey Peninsula College in action this week.

The Vikings took the fifth place honors after they drowned the San Jose State JV's 8-7. "It was a big lift for us to come on and beat San Jose State," assessed WVC mentor Gene Nyquist. "It was real good for us after losing as we did in the Northern California Open Tournament."

Mike Hendrickson, a 1969 All-American at Valley, led the charge with four goals against the Spartans. Rodney Klassen added two and Keith Ogles and Kim Parara one each in a game which saw WVC lead 8-5 at one point.

HARRIERS OPEN CNC

Les Devoe and Dan Cruz led the West Valley College Viking cross-country team to a strong third place finishing at last weekend's Sacramento State Invitational. WVC's top two runners will again hope to head the field as the Vikes open their 1970 Camino Norte Conference season Friday when they play host to Contra Costa in Saratoga.

West Valley, one of the top prospects for CNC gold in '70, will look for good performances by top harriers DeVoe, Cruz, Keith Kruse, Al Rios, Dave Kopp, Randy Sargeant, and Scott McVay in the conference opener. The following Friday Valley's orange and blue runners will challenge DeAnza in Cupertino in what could prove the meet of the season.
